

See What Other Churches Are Saying About Richard Landry's Motivational Church Programs

Chatham Baptist Church - Chatham, IL 62629

I am often looking for quality individuals to provide fun and inspiration at various activities. Recently we had Richard Landry do his comedy/magical presentation entitled "The Amazing Gospel". Richard did a great job involving the audience in the presentation and everyone laughed and had a great time. I was also impressed with his emphasis on building one's relationship with God. I highly recommend Richard Landry - comedy magician - for an event at your church.

On behalf of the children and staff of Eastview Baptist VBS we would like to thank you for the program you presented to us. We appreciate you extending your stay with us, and providing wonderful entertainment for the children as well as the adults. It is truly wonderful to see someone as yourself incorporate the Christian values and the importance of the Bible into your show.

Thank you again, Eastview Baptist VBS Staff & **Pastor Bennie Fisher**

Petersburg Church of Christ - Petersburg, IL 62675

Our people, especially our children, really enjoyed your magic and humor. The wide variety of illusions left us not knowing what would happen next. It was a pleasure for me to watch children with eyes and mouths wide open really enjoying themselves, and to watch the parents as they enjoyed their children finding such joy with a Christian message.

Keep up the good work & God bless, **Eddie Bratton - Minister**

Rochester Christian Church - Rochester, IL 62563

Once again we are so pleased with the job Richard did in entertaining our children. They were captivated by his every move! I especially love the way he involves them in the program. The kids are always on the edge of their seat and begging for more.

Sincerely, **Mike Jukaitis - Children's & Family Minister**

Pleasant Hills Christian Church - Raymond, IL 62560

I had no idea how much fun had been awaiting our church. The show was terrific to view and you were great to work with! The magic, interwoven with your wit, humor and storytelling was a great blend. The part that we really appreciated was the amount of students you brought on stage to interact with you. Each of those kids felt important, and will continue to talk about their "big part" in the magic show for weeks to come. We had ages 1-70+ in the audience that afternoon and all were thrilled. Thanks for using your gifts to entertain us and Glorify Him.

Richard Landry performed a most wonderful and meaningful service of worship. His interaction with children on stage was delightful, but we really appreciated his love for Jesus and how that was always a part of what he was doing. We highly recommend him to any church or other organization that needs a message brought to children and families while entertaining and keeping their attention.

What a treat your performance was for our church's Family Night. As they say, "laughter is good medicine", and we were well medicated that night. Your program touched everyone young and old alike. Inter twinning the Bible the way you did was icing on the cake. I heard many positive comments.

Thanks again for such a blessing, **Patrick Schell - Youth Director**

World Harvest Church - Springfield, IL 62703

We had high expectations of you captivating the children's attention doing the magic show and our expectations were exceeded! Not only were the children entertained, but the adults as well. My favorite part was when you had children volunteers to help you. The look on their face was priceless. The way you used your magic to teach the children positive values was truly remarkable. Even more amazing was that the children (and adults) were learning, and having fun doing it. It was obvious to all that you are not only a top notch magician, but you also genuinely care for the children.

Sincerely, **Jerry Kennedy**

Pasfield Southern Baptist Church - Springfield, IL 62704

Thank you very much for your presentation in our special AWANA Evening Service. The children enjoyed the illusions and humor and they especially enjoyed being a part of the illusions. I also appreciated your initial statements regarding the fact that you used illusions and slight of hand and that no "magic" was involved. This helped the children (and adults)

understand that the illusions were meant to teach a greater meaning than simply be enjoyable to watch. The adults who were present enjoyed seeing the contagious excitement of the children! All in all, it was a wonderful evening filled with laughter, important Biblical lessons, and fun!

This was a great way to begin our fall season with enthusiasm and fun. Mr. Landry did a fantastic job of including magic that all ages enjoyed and also incorporated a Christian message with his presentation. I highly recommend him to anyone wanting a program appealing to a wide age range: it's great family entertainment.
